9th-12th Graders: Discover & Explore Your Career Options!

Did you know that 33% of students changes their college majors at least once ([Data Point](#), US Dept. of Education, Dec. 2017)? It is no wonder that only 36% graduate from college within four years ([NCES/NYT,2014](#)), and that 60% of students take six years to graduate, which increases the costs of college attendance ([NCES, 2016](#)). This boot camp will help your student discover major/careers of interest to hit the ground running during high school and college.

What: Identify Career Aptitudes, Strengths & Career Matches and Receive Guidance in Planning Courses.

When: Monday August 6th – Thursday August 9th **Time:** 1:30 – 3:30
